## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-22 are allowed.
2. The following is an examiner's statement of reasons for allowance:
  - a. Regarding claims 1 and 12, the prior art or record neither shows nor suggests an integrator module wherein the incident portion comprises a parabolic first reflective surface to collimate the light beam radiating from the at least one compact light source, and the at least one compact light source is located in the vicinity of a focal point of the first reflective surface.
  - b. Regarding claims 19 and 22, the prior art or record neither shows nor suggests an integrator module wherein the incident portion comprises a first reflective surface and a second reflective surface to reflect a first portion of the light beam emitted from the light source and to reflect a second portion of the light beam reflected by the first reflective surface, respectively, and the light source is disposed at a focal point of the first reflective surface.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
